## Group Class Options

### ONLINE

Group sessions are an excellent option for in-service or staff development offerings. Teachers meet for one day in the same place at the same time.

### VIDEO CONFERENCING

Most classes are available across the country, providing real-time interactive instruction to participants at your site.

### ON-SITE

Classes can be conducted at your location.

Neuhaus Education Center thanks the many generous foundations, corporations, and individuals who partially underwrite our classes.
