#### Virtual Dyslexia Simulation

Students with dyslexia frequently experience feelings of anxiety, frustration, and failure. This simulation guides you through reading and handwriting activities in a way that allows you to experience a sense of the struggles and frustration that students with learning differences often face. Understanding the difficulties that students face can help us provide more effective support. This presentation will not be recorded.

**TIME:** Tuesday, February 7, 2023  
**DATES:** 3:00 - 4:30 p.m. (CDT)  
**COST:** \$10 per person
