

# You can learn to read

**Reading opens doors to better-paying jobs, a hopeful future, and the skills needed in today's digital world. At Neuhaus Education Center, you can learn how to read using methods that work.**

## **YOU ARE NOT ALONE**

You will learn with other students who also find it hard to read. Classes are small so that our teachers can give you the support you need to succeed.

## **YOU CAN DO IT**

There is a way that can work for you.
