

Each year we offer a variety of parent seminars that address the unique needs of your children, ranging from elementary to college.

For more information please contact the Neuhaus Family Support Office at [NeuhausFSO@neuhaus.org](mailto:NeuhausFSO@neuhaus.org)

## 2022 Fall Schedule of Events

### Monthly Information Session

Each month on a select Wednesday and Saturday, the Neuhaus Education Center hosts a free virtual information session on reading challenges, including dyslexia, multisensory, research-based instruction, and the Texas dyslexia legislation. This repeating presentation includes information on resources available at Neuhaus and within the Houston-area community. Parents, educators, and other professionals can benefit from this presentation. *The presentation will not be recorded.*

**TIME:** 10 AM to Noon (CDT)/ Virtual

**DATES:**

- |                         |                                          |
|-------------------------|------------------------------------------|
| Saturday, September 17  | Wednesday, November 9 ( <i>Spanish</i> ) |
| Wednesday, September 28 | Saturday, November 19                    |

### College Share

Navigating the transition to college for a child with a learning disability can bring up many questions. “Whom is it important to connect with at the college?” “Should we disclose that our child has a learning disability?” Join Angie Maxey, Director of Access & Disability Services at the University of St. Thomas, as she speaks about what to expect with a transition to college and how it could be helpful to connect with a disability office.

**GUEST SPEAKER:** Angie Maxey, Director of Access & Disability Services, Univeristy St. Thomas

**DATE:** Wednesday, September 21, 2022

**TIME:** 7:00 PM (CDT)

### Dyslexia 101

Understand how and why some people struggle with learning to read, which of these people might be considered dyslexic, and what kind of reading instruction is essential to their learning. *This presentation will not be recorded.*

**DATE:** Thursday, October 6, 2022

**TIME:** Noon to 1:00 PM (CDT)

[REGISTER NOW](#)

### Dyslexia 201

Participants will have a hands-on experience learning key vocabulary and procedures typical of a structured literacy lesson for a student with dyslexia. This session is open to any interested audiences and those who want to understand their child’s experience in dyslexia therapy. *This presentation will not be recorded.*

**DATE:** Thursday, October 20, 2022

**TIME:** Noon to 1:00 PM (CDT)

### Dyslexia Simulation

Students with dyslexia frequently experience feelings of anxiety, frustration, and failure. This simulation guides you through reading and handwriting activities in a way that allows you to experience a sense of the struggles and frustration that students with learning differences often face. Understanding the difficulties that students face can help us provide more effective support. *This presentation will not be recorded.*

**DATE:** October 26, 2022

**TIME:** 3:00 to 4:30 PM (CDT)
